Welcome to Burnaby

The International Education Office welcomes you to the Burnaby School District.

This handbook will provide you with important information and general guidelines concerning your program. Please read this handbook carefully as it addresses many questions commonly asked by international students coming from overseas.

We wish you an enjoyable and successful experience in Burnaby.

Angela Ferraro
Managing Director – International Education

Burnaby School District

As one of the largest school districts in British Columbia, Burnaby's 8 secondary schools and 41 elementary schools provide students with a wide range of programs and possibilities.

All Burnaby schools are accredited by the British Columbia Ministry of Education and are led by highly qualified teachers and administrators. An extensive number of programs and facilities give students the opportunity to explore a multitude of interests.

Burnaby's focus on academic excellence and student involvement beyond the classroom is reflected in our student's success. Many Burnaby students have achieved local and national recognition in the performing arts, competitive sports, and academic achievement. A high percentage of Burnaby students earn scholarships and successfully enter university.

International Student Program

The International Student Program is responsible for the enrollment and support of international students in a Burnaby school. It is not a separate educational program, as international students are integrated into regular classes alongside Canadian students. In addition, international students receive intensive English language training. As international students are integrated into the regular school environment, they will truly have a Canadian educational experience. There is an extensive support system for Burnaby students.

International Education Office

The International Office is located at the District's Board Office, in the centre of Burnaby, near Royal Oak and Canada Way. The International Office manages the International Student Program. It processes applications, places students in a Burnaby school, and provides added support to international students and their families.

If you need assistance, please do not hesitate to the International Education Office at:

Telephone: 604-296-6903
Fax: 604-296-6913
Address: 5325 Kincaid Street
Burnaby, BC V5G 1W2

Website: www.studyinburnaby.ca
Email: international@burnabyschools.ca

Office Hours: 8:30 am to 4:00 pm

Getting Ready

Once you receive a letter of acceptance from the Burnaby School District, there are many things that you need to do to prepare yourself for a rewarding experience. The following is a short list of things to consider. We have also included a checklist, which is located on page 27.

Learn more about where you are going: It is very important to take time to learn about our city and province. The more you learn about Burnaby and the surrounding areas, the more you will appreciate the experience and the faster you will adjust to your new surroundings.

<http://www.burnaby.ca/>

<http://www.hellobc.com/>

Learn more about your school: Each Burnaby school has its own website. Review your appointed school's website to learn about all the opportunities your school offers. Take the virtual tour. Note the address and contact numbers for your arrival in Burnaby.

<http://www.studyinburnaby.ca/schools>

Also check out the Facebook Study In Burnaby page with lots of pictures of events, activities, school facilities, etc. <https://www.facebook.com/studyinburnaby>

Make sure your passport is in order: You will need your passport to enter Canada, as well as for other things like banking. It sometimes takes quite a while to obtain a passport, so be sure to apply early. We recommend that you make several photocopies of your passport and leave one at home with your family.

Obtain a Study Permit: You will need a Study Permit to live and study in Canada for more than six months. This process can take a few weeks, so apply as early as you can. To apply for a Study Permit, you must take the letter of acceptance received from the Burnaby School District to the nearest Canadian embassy, consulate or high commission. The Canadian representative will ask for proof of financial support and in some countries completion of a medical examination. For more details, please visit the Citizenship and Immigration Canada website at www.cic.gc.ca.

Book your flight: Investing time into booking a flight is worthwhile. If you begin your search early enough, you are more likely to find a special seat sale.

Buy additional health/travel insurance: The International Education Office will organize health insurance for you, which comes into effect approximately two weeks before orientation (August 15 for September intake and January 15 for February intake). You will need to purchase travel insurance at home for your trip to Canada and for any extra days you are in Canada prior to the above dates.

Confirm your accommodation: If your homestay was arranged through our homestay partner, Langara College Homestay, you should confirm with them your homestay information as well as the date and time for the homestay orientation.

Read this guide and bring it with you to Canada.

Climate & Clothing

Temperatures will range from -5°C to 10°C during the winter (December to February) and up to 30°C during the summer (June to August). The spring months (March to May) are especially pleasant with temperatures averaging about 20°C . Although Burnaby is warm early in the Fall (September to November), it still receives a fair amount of rain. It is a good idea to bring a raincoat and umbrella.

Since there are many interesting mountains and trails nearby, you may also wish to bring clothing appropriate for hiking. If you like to ski or would like to try skiing, bring clothing suitable for skiing, as mountains which are located only minutes away from Burnaby receive snow in the winter. You will also be able to purchase this type of clothing in Burnaby if it is not available in your home country.

Students dress casually for school and when going out with friends (for example, jeans, a casual shirt, and runners). You will also want to bring one dressy outfit with you for special school events.

International Student Orientation

Normally we hold orientation the week before the start of school. You can find this year's orientation schedule on the International Student Program website.

<http://www.studyinburnaby.ca/support/>

International Student Orientation Week provides new international students to the district with an overview of the International Student Program and the City of Burnaby. During orientation week, you will:

- receive an overview of Burnaby, the school district, and the International Student Program services, procedures, and regulations.
- complete necessary paperwork, including your application for health insurance.
- have an English language assessment
- receive a tour and orientation of your appointed school. If you are a secondary student, you will also meet with a counselor to organize your course schedule.
- participate in a local excursion and an activity. These activities and excursion give you the opportunity to know with the area as well as make friends with other international students.

On the first day of your orientation, remember to bring with you the following:

- your passport
- copies of passport pages showing the passport number, name, date of birth, date passport issued/expiry date, and stamp made by Canadian authorities on your most recent entry into Canada
- photocopy of your Study Permit, if you have one
- your address/telephone contact information while studying in Burnaby
- your custodial guardian contact information
- your orientation field trip waiver forms
- if you are currently studying in British Columbia, a photocopy of your existing Study Permit and MSP CareCard

Services for International Students

Burnaby schools offer a number of services, including:

- **Student Counselors:** Counselors help students adapt to a new school and assist in planning their education program.
- **Youth Workers:** Youth Workers help students adapt to their school environment as well as resolve any possible student issues.
- **Community Health Nurse:** Nurses help students with health concerns.
- **RCMP School Liaison Officer (secondary only):** In Canada, an RCMP officer is appointed to secondary schools to ensure the wellbeing of students and to provide guidance.
- **Career Preparation and Work Experience Office (secondary only) –** This office assists students in exploring their career goals and coordinating volunteer work experience opportunities.

As we understand the added challenges international students may experience in studying abroad, you will be provided with the following additional services.

- **International Student Assistant (ISA) –** This person is based in your school and is there to support you. If you have any questions or concerns, they are there to help you. They are your main support. This person will also travel to our elementary schools to assist parents of elementary students.
- **International Student Liaison (ISL) –** Each secondary school has a teacher appointed to assist students to connect to their school community. This individual will help you meet other international and Canadian students as well as introduce you to clubs and activities in your school. They also arrange a variety of activities and excursions throughout the year.
- **Vice-Principal / Principal in charge of international students –** Each secondary school has a Vice Principal who has been selected to provide added support to international students. At the elementary level, the Principal is directly responsible for international students.

NOTE: During the first week of orientation you will meet the Vice-Principal in charge of international students, your school's International Student Liaison (ISL) as well as the International Student Assistant (ISA).

- **International Education Office –** While your main support is your school's International Student Assistant, the International Education Office staff are also available to assist you, your custodian, and overseas parents.
international@burnabyschools.ca
Telephone: 604-296-6903

- Health insurance – The International Education Office organizes health insurance for international students. The health insurance begins August 15/January 15, before orientation, and is cancelled when a student is no longer enrolled in the district’s International Student Program. (see page 5)
- Homestay – The International Education Office works closely with Langara College Homestay Placement Program to place students with host families in Burnaby. Students can enroll in the district’s homestay program any time throughout the school year.

- Activities and excursions – In addition to the new student orientation, the International Education Office coordinates excursions throughout the year to provide students with a truly Canadian experience, while also giving them the opportunity to meet other students. Check out our Facebook page with many photos of our excursions.
<https://www.facebook.com/studyinburnaby>
- Study Permits – Students’ custodial guardians are responsible for assisting students in extending their Study Permit. To assist you, there are registered

Immigration Consultants in Burnaby. Burnaby staff is now not permitted to assist, according to a new Canadian law.

- Post-secondary information session – the International Education Office holds a post-secondary information session for students interested in going on to post-secondary education in Canada and the US.
- Graduation Information Event – the International Education Office’s Counsellor will visit the schools to host an information session, to help assist students in fulfilling their graduation requirements and to provide information on post-secondary opportunities.
- IELTS and SAT Preparation Workshops – Burnaby arranges a series of workshops, at a highly subsidized cost, for students wanting to prepare to write these exams. Information on how and when to register will be provided at your school.

Liaising with parents – the International Education Office works hard to keep parents informed of their child’s progress. Copies of student Report Cards will be available on the Parent Portal.

- Pool of translators – the International Education Office works with a pool of multilingual translators. Some of the languages spoken by the translators include Korean, Mandarin, Cantonese, Thai, Japanese, Spanish, French and Portuguese.

Your School

The following provides a general overview of the Burnaby education system. During orientation, you will be provided with a more detailed overview of the courses, programs and services offered at your appointed school.

- **School Calendar:** The following provides you with an overview of the school calendar for subsequent years:

DESIGNATION	2019/20
Labour Day	Monday Sep 2
Thanksgiving Day	Oct 14
Remembrance Day	Nov 11
Schools close for Winter vacation	Friday Dec 20
Winter vacation period	Dec 23- Jan 3
Schools reopen after Winter vacation	Tuesday Jan 6
Family Day	February 17
Schools close for Spring vacation	Friday March 13
Spring vacation period	March 16-27
Schools reopen	Monday March 30
Good Friday	April 10
Easter Monday	April 13
Victoria Day	May 18

- **School Hours:** Students from kindergarten to grade 12 attend school from Monday to Friday for approximately six hours per day, generally 9 a.m. to 3 p.m.

Students are supervised during both school hours and organized school activities (for example, sports, art or choir) occurring before and after regular school hours. Students who are not involved in organized school activities should come to school no earlier than 30 minutes before school begins and leave no later than 30 minutes after school has ended for the day.

- **Semester versus Linear School (Secondary):** In Burnaby we have two different school calendars. Five of our schools run on a linear calendar, which means students take eight courses, starting in September and ending in June. Three of our schools run on a semester calendar, wherein students take four courses from September to January and then another four from February to June (total of eight courses).

- **School Day (Secondary):** Each school's timetable will vary somewhat. Normally students attend school from 9:00 am to 3:00 pm. In very few cases, a student may take a course at 7:30 am or 3:15 pm. Students receive a brief nutrition break in the morning and then a lunch break around 12:00 pm.

The following provides an example of a student timetable for a **linear school**. Secondary students' timetable consists of eight courses. Each week consists of "Day 1" and "Day 2" only. Each day is divided into 75-minute time segments, referred to as "periods." Each period consists of a "block." These blocks represent different courses. While the time of a period is the same each day, the blocks rotate daily. Therefore, courses vary daily. For example, when looking at the timetable below, if Block "1" consists of Science, then the student below would have Science class on Monday, Wednesday and Friday (Day 1) for that week. The next week, he/she will have Science on Tuesday and Thursday (Day 2).

	Mon.	Tues.	Wed.	Thur.	Fri.	The following week would start with Day 2 on Monday, Wednesday and Friday
Period/Block	Day 1	Day 2	Day 1	Day 2	Day 1	
Period 1 08:50 – 10:10	Block 1	5	1	5	1	
Break	10:10-10:25	10:10-10:25	10:10-10:25	10:10-10:25	10:10-10:25	
Period 2 10:25 – 11:40	2	6	2	6	2	
Lunch	11:40-12:30	11:40-12:30	11:40-12:30	11:40-12:30	11:40-12:30	
Period 3 12:30 – 1:48	3	7	3	7	3	
Period 4 1:55 – 3:11	4	8	4	8	4	

For a **semester school**, there is only Day 1 throughout the same semester and students take the same 4 courses every day.

After each period, students normally move to a different classroom and teacher.

- **Student Services:** In addition to the services for international students that are mentioned above, normally in each school you will have access to: counselors, youth workers, community health nurses, career preparation and work experience counselors (secondary only), peer mentoring programs, after-school tutoring and homework clubs and pre-school childcare (at select elementary schools).

- **Facilities:** Each of our secondary schools are equipped with art studios, cafeteria, computer labs, dance studio, two gymnasiums, home economics labs, information technology labs, industrial technology labs, library, music room, photography studio, school stores, science labs and weight room. Elementary schools are normally equipped with gymnasiums, library, music and art rooms, and computer labs. Some elementary schools offer a Hot Lunch Program.
- **Clubs and Sports:** International Students are encouraged to take advantage of these activities, as they are an excellent way to develop your English language skills while making new friends. Burnaby schools offer a number of extracurricular activities. Your school's International Student Liaison can provide you with advice on joining an extracurricular activity. Examples of extracurricular activities **at the secondary school level** include:

Sports	Clubs
Badminton	Amnesty International
Basketball	Chess
Cross Country	Choir
Golf	Dance Team
Mountain-biking	Drama Council
Skiing and Snowboarding	Hip Hop Dance
Soccer	Math
Swimming	Multicultural
Tennis	Music Council
Volleyball	

- **Lockers:** You will be assigned a locker during your first week of school. You are expected to keep your lockers clean. You must clean out your locker and return all your textbooks at the end of the school year.
- **Internet:** Each school provides students with access to the internet. Speak with your International Student Assistant (ISA) to find out the internet access available at your school.
- **Code of Conduct:** Student must follow a specific Code of Conduct. You will be expected to conduct yourself in a respectful and responsible manner or you may be removed from the program.
- **Dress Code:** Canadian public schools do not require students to wear a uniform. However, students are expected to dress appropriately.
- **Report Cards:** Students receive three report cards a year, normally in November, March and June.

A copy of the report card for international students will be available on the Parent Portal sight. The students and custodian will receive a login and password to access the Parent Portal sight. In addition, parent/teacher conference nights are held to discuss the student report cards twice a year. If a student has a custodian then the custodian attends this conference in lieu of the parent(s).

Students also receive interim report cards throughout the year. Students are not given marks on their interim report card. Rather the interim report cards help students identify their strengths and give advice for improvement. They also provide a good indicator of the letter grade the student will achieve in the class on their next report if they are to continue at the same level.

Your Academic Program

Secondary Program

During orientation you will have an opportunity to visit your school and meet with a counselor to arrange your courses. Depending on your English language capabilities, you will be placed in courses alongside local students. You can choose from a range of core academic subjects and a number of specialized electives as you progress through your secondary studies.

For highly motivated students, Burnaby Schools provide an extensive number of Honours and Advanced Placement (AP) courses. You must qualify for entrance into these courses. Students who complete Advanced Placement courses may be eligible for first year credit when entering a university. The prestigious AP Capstone Diploma program is also offered at Burnaby North and Burnaby South for top academic students.

Most international students require English language training, which is referred to as English Language Learning (ELL) program (*previously known as English as a Second Language (ESL) program*). Students complete ELL courses as well as regular academic courses suitable for their English language level. Each school offers three levels of ELL courses: beginner, intermediate and advanced. The following provides a typical course plan for students completing both ELL and regular academic courses.

Normally, beginner ELL students receive approximately 12 hours of ELL per week, intermediate 9 hours, and advanced students 3 to 6 hours.

Students in the ELL program are tested at points throughout the school year in order to provide them with the opportunity to move to the next level, if the teacher feels that they are ready.

Beginner	Intermediate	Advanced
Eight courses as follows: 1. ELL I 2. ELL I 3. ELL I 4. ELL I 5. Math 6. Physical Education 7. Arts (art, drama, dance, and music) 8. Applied Skills (e.g. computers, home economics)	Eight courses as follows: 1. ELL II 2. ELL II 3. ELL II 4. Science 5. Math 6. Physical Education 7. Arts (art, drama, dance, and music) 8. Applied Skills (e.g. computers, home economics)	Eight courses as follows: 1. Adapted Social Studies 2. Adapted English 3. Science 4. Math 5. Physical Education 6. Arts (art, drama, dance, and music) 7. Applied Skills (e.g. computers, home economics) 8. Elective

Elementary Program

The academic aim of our elementary schools is to begin developing students' intellectual and interpersonal capabilities, while instilling a lifelong love for learning.

In elementary school, students normally study: Language Arts (English), Social Studies, Sciences, Mathematics, Technology, Fine Arts (Art, Music, Drama) and Physical Education.

As an international student, you will be integrated into regular classes along with local Canadian students. You will receive additional English language training referred to as English Language Learning program (ELL). The elementary program has three levels of English language training: Beginner, Intermediate and Advanced. The amount of English language training you receive depends on your English language level. Normally students receive one to six hours of ELL training. The amount of time widely varies as programs are individualized to meet each student's unique needs.

Each Burnaby elementary school organizes its ELL program differently, depending on the number of ELL students and their level of English. An ELL teacher either will go into your classroom during the school week and provide added assistance, or, students are pulled out each week for a separate ELL class.

Summer Programs

The district runs an extensive summer program. This gives you the opportunity to complete both credit and non-credit courses over the summer. Summer credit courses are intensive. Therefore, we recommend international students to take no more than one credit course over the summer. Normally in April information on summer courses will be posted on the district's website (<http://www.burnabyccce.ca/>).

Registering for the Following Semester or Year

Students registered until the end of June: In late January a notice will be sent to your custodial guardian asking if you wish to continue in the program. You will be required to pay the tuition fee by the middle of March in order to reserve your seat.

Students registered until end of December/January: In October a notice will be sent to your custodial guardian asking if you wish to continue for the following school year. You will be required to pay your tuition fee by the middle of November in order to reserve your seat.

Letter of Acceptance: Once you have paid the school fees, the International Education Office will provide you with a formal letter of acceptance. You will require this letter in order to extend your Study Permit.

Students Over 19 Years of Age: Students who turn 19 before July 1st normally cannot continue at their school in September. If a student has not completed his/her graduation requirements and wishes to continue his/her schooling, he/she can do so through the district's Adult Education Program. To learn more about this opportunity, please contact the International Education Office at 604-296-6903.

Adult Programs

The district runs an extensive number of programs for adults, including ELL for Adults. These programs are located at specific Adult Learning Centres in Burnaby. For further information on the district's Adult Programs, please contact the International Education Office at 604-296-6903.

Immigration

Direct Telephone Access: 1-888-242-2100

Website: www.cic.gc.ca

Obtaining a Study Permit

You will need a Study Permit to live and study in Canada for more than six months. This process can take several weeks, so apply as early as you can. To apply for a Study Permit, you must take the letter of acceptance received from the Burnaby School District to the nearest Canadian embassy, Consulate or High Commission. The Canadian representative will ask for proof of financial support and in some countries completion of a medical examination.

Renewing your Study Permit

Custodial guardians are responsible for renewing a student's Study Permit. The school staff and/or International Office staff are no longer allowed by law to assist. This process normally takes six to twelve weeks. You are strongly recommended to apply for an extension at least three months before the expiration of your current Study Permit. Immigration will not accept applications before three months of the Study Permit's expiry date.

Immigration services are coordinated through the Case Processing Centre in Vegreville, Alberta. When you extend your Study Permit, you must complete the forms in the Immigration Kit. These kits are available on the internet at www.cic.gc.ca. The kit includes the necessary forms and information for mailing your application.

Along with your Application to Extend a Study Permit, you will NEED to include:

- Copies of passport pages showing the passport number, name, date of birth, date passport issued/expiry date, and stamp made by Canadian authorities on your most recent entry into Canada.
- Copy of current immigration authorization document.
- Letter of acceptance from the Burnaby School District.
- Copy of most recent report cards.
- Custodianship Declaration (IMM 5646)** – students studying in a secondary program in Canada without a parent or legal guardian must complete this with their study permit application.
**This is a new form which is available on Canada Immigration's website.
- Proof of funds available (banks statement).

- \$125 to pay for the service to process your extension. This must be first paid at a bank or through on-line, and proof of payment must be enclosed with your application.

If your custodial guardian has any questions on completing the form, they can contact the International Education Office for assistance.

Be sure to keep a copy of all documents you mail to the Canada Immigration office in Alberta.

Visiting the United States of America

You can phone the US Consulate in Vancouver at 1-900-451-2778 (at a fee) to arrange an appointment for an interview to receive a Visitor Visa. Please make the appointment well in advance of when you want to travel. You can also make an appointment on-line at www.nvars.com (\$10.00 CD). The address is: US Consulate, 1095 West Pender Street, Vancouver, BC. Phone: 604-685-4311

Warning: *It is critical that you purchase extended health insurance if you are to travel to the United States. The British Columbia Medical Services Plan will not cover costs for any medical attention delivered in the United States. In the unlikely case of an accident, medical attention could cost you thousands of dollars.*

Culture Shock & Adjustment

Coming to a new country and culture is an exciting adventure. You may also find that you have some ups and downs during your adjustment to life here in Canada. Give yourself time to feel at home.

Stage 1: When you first arrive, you typically go through the “honeymoon stage,” where the excitement and enthusiasm of being in a new place takes up most of your thoughts and time. The activity of settling in is also very time consuming.

Stage 2: The second stage can be a bit of a down time where the differences between your home and here become clear. You might also find yourself missing family, friends and some of your favourite food. Working on your English can also be a tiring aspect of getting started in Canada.

Stage 3: The third stage can be a frustrating or restless time. At this point you may feel angry with your new life, classmates and hosts. This is normal and will not last.

Stage 4: The fourth stage usually involves finding your sense of humour again, seeing this adventure in a new perspective, and appreciating both your home and Canada in new ways.

Stage 5: The fifth stage is where you feel almost at home here and can meet the day-to-day problems that come along. You’re also starting to think about returning home again. This can be a time of mixed feelings – both excitement and anxiety.

Stage 6: This sixth stage is called reverse culture shock and happens when you return home. You may find that your family and friends have a hard time understanding your experiences in Canada and that it takes time to settle back in. This is very normal.

Stage 7: The last stage is readjustment to being home. This happens when you have integrated yourself back into your own culture with the knowledge and experiences that living away from home has given you.

It is important to remember that you may not experience all these stages in precisely this order. Adjusting to living overseas takes time but the rewards are well worth it. Please contact your school’s International Student Liaison, a school counselor, the ISA or the International Education Office if you’re having any difficulty in your adjustment. We’re here to support you.

Living in Burnaby

To learn more about the City of Burnaby, visit the City's website at www.burnaby.ca.

Transport

Public Transit: Public transportation in Burnaby and its neighbouring cities is easily accessible and reliable. Many public transportation options are available to students ranging from buses, trains, SkyTrain and SeaBus. Once you register at your school, you will receive your student identification, which allows you to pay a discounted rate for public transportation.

The Vancouver Regional Transit System is divided into three zones and ticket costs vary depending on how many zones one travels through. Fare costs are reduced after 6:30 pm on weekdays and on weekends and holidays. Students are advised to purchase a monthly "Fare Card" (Compass card) to reduce the cost once you have your Go Card from your school in Burnaby. The "compass card" can be purchased at many locations

around Burnaby, such as 7-11 Convenience Store and Shoppers Drug Mart. Please visit www.translink.ca for direction and further information.

Cycling: Some students opt to cycle to school as it's an inexpensive transportation method. The city of Burnaby houses an extensive system of bikeways for cyclists. If you choose to cycle to and from school, please ensure to wear a helmet as it's the law here in British Columbia. Make sure you use a strong bike lock, and always use it when you park your bike. Each secondary school has a location to park your bike.

Communications

Long Distance Calls:

To make a long distance call within Canada or the US, you must dial "1," then the city code.

To make a long distance call to most overseas countries, you must dial "011," then the country code, and the city code.

- Collect calls: dial 0+country code+city code+local number
- Direct dialed calls: 011+country code+city code+local number

See the first section of the phone book for country and city codes, or call the operator "0" for information and help.

Phone Cards

Phone cards in a variety of dollar amounts are available at various stores such as 7-Eleven. They are a convenient way to keep in touch with friends and family.

Postal Service

www.canadapost.ca

If you are expecting a parcel it will come to your home, but if you are not at home it may be redirected to the nearest postal station where you may pick it up. Be sure to take identification with you. A parcel or letter can also be posted at any postal outlet. There are a number of postal outlets located throughout Burnaby.

Libraries

In addition to your school library, the following public libraries are located in Burnaby. In order to obtain a library card you will be required to show identification.

Library	Address / Phone	Area
Bob Prittie Metrotown Branch (Burnaby's main library)	6100 Willingdon Avenue Telephone: 604-436-5400	South/Central Burnaby
McGill Branch	4595 Albert Street Telephone: 604-299-8955	North Burnaby
Tommy Douglas Branch	7252 Kingsway Telephone: 604-522-3971	South Burnaby
Cameron Branch	9523 Cameron Street Telephone: 604-421-5454	North/East Burnaby

Banking

There are a number of banks located throughout Burnaby in which you can open up a bank account. You will be required to bring appropriate identification with you to open an account.

There are many types of accounts: personal checking account, daily interest chequing or saving, savings/chequing and savings accounts. You will find that interest rates vary between the type of account and between banks. Make sure you are aware what the charges and rates will be on any account that you open.

Parks and Outdoors

Burnaby is recognized for its extensive number of parks, lakes, gardens, and hiking trails. The following is a brief listing of some of Burnaby's most popular parks or you can check out this website at <http://www.burnaby.ca/Things-To-Do/Explore-Outdoors.html>.

Park	Location	Activities
Burnaby Marine Park	North Burnaby, travel east on Hastings Street, keep left on Barnet Highway	Canoe, kayak, sailing, beach, fishing
BC Parkway and Highland Park Line	South Burnaby, runs from Westminster Quay to downtown Vancouver	Bikepath, walking trail
Burnaby Fraser Foreshore Park	South Burnaby, along Marine Way turn south on Byrne Road to the very end (the Fraser River)	River trail, biking, walking, fishing
Burnaby Mountain Park	North Burnaby, take Lougheed Highway and turn north towards Simon Fraser University, to Centennial Way	Views, picnic area, walking trail, restaurant
Confederation Park	North Burnaby, travel along Hastings Street and then head north on Willingdon	Walking path, miniature railway, skateboard park, lawn bowling, bocce, tennis, baseball, soccer, lacrosse, track, spray pool, picnic area
Kensington Park	North Burnaby, travel along Hastings, turning south on Holdom Avenue, then east on Curtis Street.	18-hole pitch-and-putt course, running track, tennis courts, softball fields, walking paths, outdoor swimming pool
Burnaby Lake Regional Park	Central Burnaby, from Highway #1, exit at Kensington Avenue North, proceed to Sprott Street and Sperling Ave.	Wildlife sanctuary, equestrian trails, rowing, kayaking, canoeing, birdwatching
Robert Burnaby Park	South Burnaby, follow Canada Way to 16 th Avenue, turn northeast and then left on First Street.	Walking trails, tennis, outdoor swimming pool

Heights Commercial District	North Burnaby	Hastings Street, Boundary Avenue to Gamma Avenue
Crystal Mall	South Burnaby	4500 Kingsway, Ph: 604-438-6263

Medical Services

There are a number of doctor's offices and walk-in medical clinics located in Burnaby. To locate an available doctor, we suggest you visit the College of Physicians and Surgeons of British Columbia website (<https://www.cpsbc.ca/cps>). The International Education Office can also direct you to local clinics and multilingual doctors. The City houses a leading community hospital—Burnaby Hospital, located at 3935 Kincaid Street, Burnaby. In the unlikely case of a student feeling seriously ill or had an accident, we strongly recommend the student go directly to the Emergency Department at Burnaby Hospital.

Personal Safety

The City of Burnaby offers a safe living environment. Violent crime is not common and not very likely to occur to a resident or student. However, you still need to be careful, as with any other city. Please remember to always be aware of your surroundings and do not walk in the streets or parks alone after dark. At orientation we will provide you with detailed safety tips in order to ensure your stay with us is a pleasant one.

Important Message to Parents

You will play an important role in supporting your child's studies in Burnaby, even if you are residing overseas. The following information is to help parents understand the Canadian education system and their role as a partner in their child's education.

Education Program

In Canada, we believe in developing well-rounded individuals. That is why our education system does not solely focus on traditional academic subjects, such as math and sciences, but also includes subjects within the arts, sports and technology. These subjects not only develop your child's intellect but help him/her explore a variety of interests and talents.

Learning Environment

Teachers in Canada believe that students must participate in the learning process. Therefore, a typical Canadian classroom does not usually have a teacher lecturing at the front and students sitting quietly in their desks. Rather, normally you will see students working on their own or in groups as the teacher facilitates their learning. For an outsider, it may seem that the students are "playing around." But this is definitely not the case. Rather, students are actively engaging in his/her learning as well as developing skills to work independently or as part of a team - better preparing students for university.

In addition, Canadian schools, especially Burnaby, encourage students to participate in extracurricular activities after regular school hours. Students can join a number of activities that will further augment their intellectual, social and physical development. In learning English, we find that students who join clubs or teams acquire the language more rapidly than if they were to take numerous hours of after-school tutoring.

Parent Expectations

English language development: On various occasions, parents have requested that the school advance their child's English Language Learning (ELL) level. The schools try

to advance students through the ELL program as fast as possible, but only if the student is fully ready. Please be patient with your child's English language acquisition. It takes time. The majority of students are planning to continue their studies at a university in Canada. Like a house's foundation, if it is not strong, the whole house will collapse. English is the student's foundation. Without a strong foundation in English, the student will not be successful in university.

Academic Performance: International students face added challenges due to their being immersed in a new environment, culture and language. Initially, their grades in Canada may be lower in comparison to school grades from their home country. This is normal due to the added challenges international student face. Please encourage your child and let them know you understand the challenges they face and how proud you are of the work they are doing. Encourage them to try their best and to ask for help from their International Student Liaison, counselor and teachers. Give them time to acclimatize to their new environment as well as develop the language skills needed to fully excel.

We have noticed that students do not always inform their parents or custodians of any school or personal struggles, as they do not want to disappoint or worry their family. Please encourage your child to talk to you about their school and personal life. These students feel enormous amounts of pressure. Please encourage our child to do their very best and to work hard but also to enjoy their time here and to seek help when needed.

Keep in touch with your child and custodial guardian: The Burnaby School District's International Education Office relies heavily on custodians to inform the district of any struggles a student may be having. Without this, we are limited in the support we can provide to a student.

Even though a parent resides overseas, you still play an important role in ensuring your child is being properly cared for and supervised during their studies in Burnaby. We ask that you:

- carefully choose a suitable custodian, especially if you have opted not to place your child in a homestay organized by the district's homestay provider, Langara College Homestay.
- ensure your child is living in a suitable homestay.
- regularly contact your child's appointed custodian to ensure they are properly supervising your child.
- regularly contact your child to ensure that they are thriving within their learning and home environment.
- immediately contact the International Education Office for assistance if you have any concerns about your child's well-being or academic progress.

Pre-Departure Checklist

- Confirmed accommodation arrangements.
- Obtained a passport and made sure that it is valid for at least six months beyond my return date.
- Obtained a Study Permit to study in Canada (if studying for more than 6 months).
- Obtained a multi-entry visa (if required).
- Obtained the appropriate visa if planning a trip as a visitor to the United States.
- Purchased airline ticket.
- Documents to keep on you (not in your checked luggage). You will need these documents to present at your first Canadian Port of call to present to IRCC.
 - LOA
 - Custodian Document
 - Homestay Placement Information
 - Passport
- Have noted home, International Education Office, and school contact information.
- Photocopied all information (passport/birth certificate), leaving a second copy at home.
- Obtained a small amount of Canadian currency for use upon arrival and in the unlikely case of an emergency.
- Arranged appropriate transfer of funds (i.e. traveler cheques, etc)
- Learned about my appointed school, Burnaby and the surrounding area. Learned about Canadian culture.
- Will pack this handbook along with the orientation information in luggage to bring to Canada for reference.
- Have read this handbook very carefully.
