Windsor Elementary
6166 Imperial St.
Burnaby, BC V5J 1G5

International Student Program for Elementary Students

▶ Burnaby School District has 41 elementary schools which accept students from Kindergarten to Grade 7 (ages 5 – 12 years). All of these schools accept international students.

▶ Parent Testimonial - "We liked the teachers, general atmosphere, the school grounds and the staff. My child's English improved a lot in a short period of time. I used public transportation to easily get around Burnaby and to Vancouver. I am very satisfied with my daughter's study experience in Burnaby".

Why Choose Burnaby For Your Child

- Small number of international students creating a highly exclusive immersion experience.
- Lots of private academies in the local area for academics, music, and sports
- Beautiful location just 25-35 minutes to downtown Vancouver
- Easy access to public transportation
- Accommodation options for all budgets
- Community facilities including shopping, grocery stores, public libraries, and recreation centers.

International students can begin their studies in a Burnaby elementary school in September or late January. The number of seats available in each school is limited and interested families are encouraged to apply as early as possible.

Academic Program

International students who enroll in our elementary program are given the opportunity to explore a variety of subjects:

- Language Arts, • Social Studies, • Sciences
- Mathematics, • Technology, • Fine Arts (Art, Music, Drama), • Physical Education.

Additional Learning Opportunities

In addition to the student's regular academic program, students are provided with a variety of opportunities to build their knowledge and confidence:

- Advanced Learning Program
- French Immersion Program (select schools)
- Learning through the Arts Program (select schools)
- Extensive extracurricular activities in leadership, sports and arts.

▶ "Did you know that Burnaby School District is the only district in the Province of British Columbia to have music specialists at the elementary level?"

School Facilities and Services

Burnaby elementary schools range from a population of 100 to over 800 students. Each of our elementary schools is well-equipped with the latest technologies and house computer labs, a library, music room, gymnasium and playing fields.

Our specialized support program for elementary international students includes:

- An intensive welcome orientation
- International student parent meetings that are facilitated by district translators
- Multilingual staff to provide interpretation and cultural support to students and parents.

International students at the elementary level:

- Are placed in a grade level based on their date of birth
- Are integrated into regular classrooms alongside Canadian students from the first day of school
- Receive additional intensive English language training as needed in very small groups with certified B.C. teachers
- Have the opportunity to participate in a number of extensive extra-curricular school activities
- Are provided with a specialized support program.

Intensive English Language Training

Burnaby's intensive English language training program addresses both the communication and academic needs of students, from beginner to advanced levels. International students are assessed and placed in an English language program appropriate to their needs. Students participate in regular classes with local Canadian students and receive English language support either out of class (up to an hour a day) or within their regular classroom. Each student is again assessed at various times throughout the year and their program is modified on an individual basis, as they progress in their English language development.

Living arrangements

International students in Kindergarten to Grade 5 MUST live full-time with a parent while attending school in Burnaby. In Grades 6 and 7 students may live with a family relative. Proof of familial relationship is required.
